

## Membership Information Update

As we modernize our digital presence and expand regular communications with our members, it is vital that we have your most recent home address, email, and telephone numbers. In these uncertain and changing times, communication is key. Our ability to effectively and timely share news, information, and benefit program availability is fundamental to our future success.

Please take a moment to complete the following form and return it by email to [nysomce@gmail.com](mailto:nysomce@gmail.com) OR print and mail to NYS OMCE, 5 Pine West Plaza, Suite 513, Albany, New York 12205-5587. While you are welcome to provide work contact information, it is best to communicate with you through your non-work contacts.

Thank you for updating your membership information and THANK YOU for supporting OMCE in its mission to represent Management/Confidential employees!
